With Violet - Saturday Nights In Your Sunday Best

The catchy quintet's new album, Saturday Nights In Your Sunday Best, is a marriage between their two previous EPs, Saturday Nights In and Your Sunday Best, both released in 2023. It's the culmination of two years worth of work and many hours in the studio in which the band decided to whet their fans' appetites for the final full-length release by dropping bite-sized EPs. The new album features all the songs from the EPs plus some new tracks for a fresh yet familiar listening experience.

The lead single off the album, "That Boy", is a

neon-tinged joyride through the perils of longing and desire, with a feel-good, East Coast vibe that puts one in mind of an '80s rom-com.

MacDonald's powerful and emotional vocals seem to both lament and celebrate those whirlwind feelings of temptation that come with being attracted to someone, while With Violet's signature infectious energy and beats let you know that, regardless of the lyrical subject matter, this is a band that you can be sure will have you on your feet at any live venue.

Stream Saturday Nights In Your Sunday Best on Spotify and keep up with the band on X, Instagram, TikTok, and Facebook @withvioletband. You can also catch them opening for Barenaked Ladies and Tokyo Police Club at the IceBerg Alley Performance Tent in St. John's on June 19!

*Paul Brace to Release Powerful New
Song "Nine Foot Rope" Addressing
Men's Mental Health*

Award-winning artist Paul Brace is set to release his latest single, "Nine Foot Rope," on May 1st, 2024. The song tackles the critical issue of men's mental health and the challenges men face in seeking support due to societal expectations and stigmas surrounding masculinity.

In "Nine Foot Rope," Brace delves into the complex landscape of men's mental health, shedding light on the struggles faced by many who feel pressured to conform to traditional notions of strength and resilience. Through poignant lyrics and emotive melodies, Brace confronts the alarming statistic that on average, 4000 Canadians choose to end their lives each year, with a staggering 75% of them being men.

"Nine Foot Rope" serves as a poignant reminder of the urgent need to break down the barriers preventing men from seeking help for mental health disorders. By courageously addressing these issues through his music, Brace hopes to spark meaningful conversations and encourage

individuals to reach out for support when needed.
